RANJEET KUMAR

B.Tech Student | Cybersecurity Enthusiast | UI/UX Designer | Video Editor

work.ranjeetkumar011@gmail.com | Punjab, India

PROFESSIONAL SUMMARY

B.Tech student building practical skills across cybersecurity, programming, and digital design. Currently learning network reconnaissance, web security, vulnerability assessment, and penetration-testing fundamentals using tools such as Nmap, Wireshark, Burp Suite, and Metasploit in authorized learning environments. Also experienced with creative workflows in video editing and UI/UX design, with an interest in building useful, security-conscious technology projects.

EDUCATION

Bachelor of Technology (B.Tech) — IK Gujral Punjab Technical University | Currently pursuing

TECHNICAL SKILLS

Cybersecurity: Network reconnaissance, security monitoring fundamentals, web enumeration, vulnerability assessment, OWASP Top 10, security analysis

Security Tools: Kali Linux, Nmap, Netcat, Wireshark, Burp Suite, Metasploit Framework, Gobuster, Nikto

Programming: C, C++, Python (basic), Java, SQL, R Programming

Core CS: Data Structures & Algorithms, Operating Systems, DBMS, Computer Networks

Design & Media: UI/UX design, Figma, Canva, video editing, Adobe Premiere Pro, CapCut

Developer & Server Tools: Git, GitHub, Google Colab, Termux, Apache Server, Tiny File Manager, Tailscale

PROJECTS

Secure Local File Management System

• Set up a browser-accessible file-management environment using Termux and Apache Server on Android.

• Integrated Tiny File Manager for file operations through a web interface.

• Configured Tailscale VPN for remote access between trusted devices.

• Applied Linux command-line, web-server deployment, and networking concepts.

IRCTC Autofill Chrome Extension — Concept

• Developed the concept for a browser extension to simplify filling railway ticket-booking forms.

ADDITIONAL INFORMATION

Areas of Interest: Cybersecurity, ethical hacking, AI/ML, web and network security, UI/UX design, video editing

Soft Skills: Problem solving, communication, teamwork, adaptability, time management, quick learning

Languages: English, Hindi
